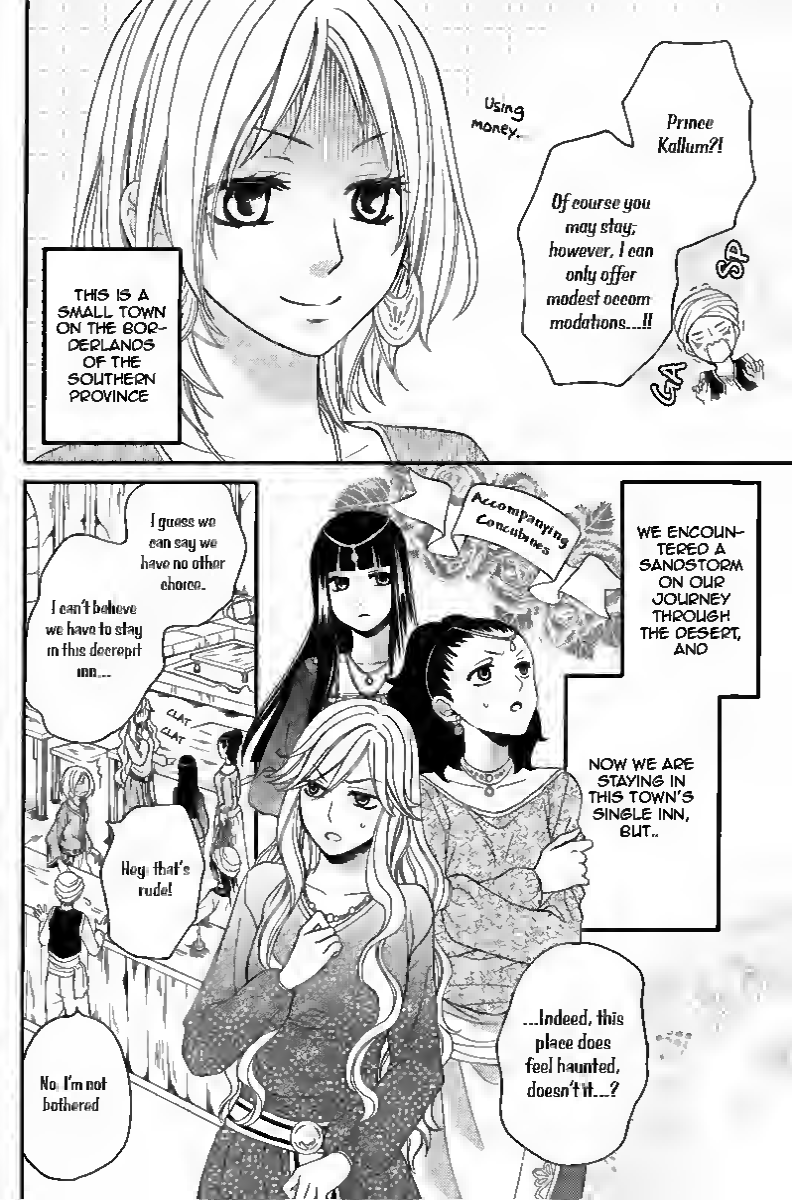
ミーシェ
カルム
貧しかったミーシェはシャルバラ王国第三王子カルムの三十人目の側妻に迎えられる。王子の人柄を知り正妻を目指すが、今回はカルムの兄に会う旅の途中で!?
"You will enter my harem."
I BECAME PRINCE KALLUM'S 30TH CONCUBINE,
AND THIS IS MY FIRST TRIP
WHOOSH...
THIS IS A STORY ABOUT THE JOURNEY
FROM THE SOUTHERN PROVINCE TO THE WESTERN PROVINCE.
WHOOSH...
CREAK...
CHAK
Oh, a customer? How rare.
Would you like a room for the ...

night...?
I'd like to buy out this inn for the night.
Our journey has been halted by a sandstorm, you see.
It seems that you have no guests now, so can you accommodate us?
...Could you be



THIS IS A SMALL TOWN ON THE BORDERLANDS OF THE SOUTHERN PROVINCE
Using money.
Prince Kallum?!
Of course you may stay, however, I can only offer modest accommodations...!!
Accompanying Concubines
WE ENCOUNTERED A SANDSTORM ON OUR JOURNEY THROUGH THE DESERT, AND
NOW WE ARE STAYING IN THIS TOWN'S SINGLE INN, BUT..
I guess we can say we have no other choice..
I can't believe we have to stay in this decrepit inn...
CLAT CLAT
Hey that's rude!
No. I'm not bothered
...Indeed, this place does feel haunted, doesn't it...?

This inn does have a dark history, after all...
Many guests have reported seeing "something" during their stay.
ha..
Thanks to that, everyone keeps their distance from this inn.
CLATTER
Aughhhh!!
We're too scared, Prince Kallum.
We can't endure this...
If that's the case, then hold on to me while I escort you to your rooms.

CHAK
The storm just blew the window open.
I wonder when this storm will end.
Strong, aren't you?
Hmph!
How about acting cute and helpless once in a while,
Mishe?
CLATTER CLATTER
Excuse me for not being cute.
Besides, there's no such thing as ghosts.
And if by some slim chance there are ghosts, I'll exorcise them myself.
Ah, I see.
GRAB
Huh?
If you don't know how to be helpless, then you should have said so.
I'll confine your hands so you can't get away and then play with you.
MUSS MUSS
For you, it's the naughty kind of playing!
And what I'm saying is

DOOM...
CREAK...
I'm not scared!!
My goodness
Of all things, I get the only single room...
CHAK
Actually, I'm scared out of my mind.
Eek! I'm scared!
I can't imagine it.
It's well made!
I should have acted helpless like Sana and the others...
FLINCH!
It's just a pot...

..I REALLY DON'T HAVE ANY CUTENESS IN ME..
Haaa..
Aughhhh
SHONK!
A ghost!
Guh!
Eek!
SWIP
If you're coming at me, then come at me!
SWIP
Hey.
I'm gonna exorcise you...
Hey.

It's me.
Augh!
SHONK
You put this on me.
SMACK!
It's a pervert!
Pr-
Prince Kallum?!
I'm sorry, I didn't realize it was you...
What a crude display of fear.
This is the first time I've had a pot on my head.
ugh!
I'm not being cute
It's your fault for searing me, Prince Kallum.
More importantly, do you have some business with me?
Ahh
I heard all the handmaidens were with Sana and the others.

Even though he can't see.
This man!
SNEER
and, as I thought, you are.
Since you are alone, I came to see if you're scared,
YANK
YANK
YANK——...
Come on; hurry up and take this off.
The ones who are scared are Sana and the other concubines.
People feel safe when they are with others, so that's why the handmaidens are with them.
YANK
YANK
YANK
YANK
YANK
Haha, you're stumped, aren't you?
I'm not giving up!
No way!
Wh-wh-why?!
I can't get it off!!!
YANK
YANK
YANK
WH-

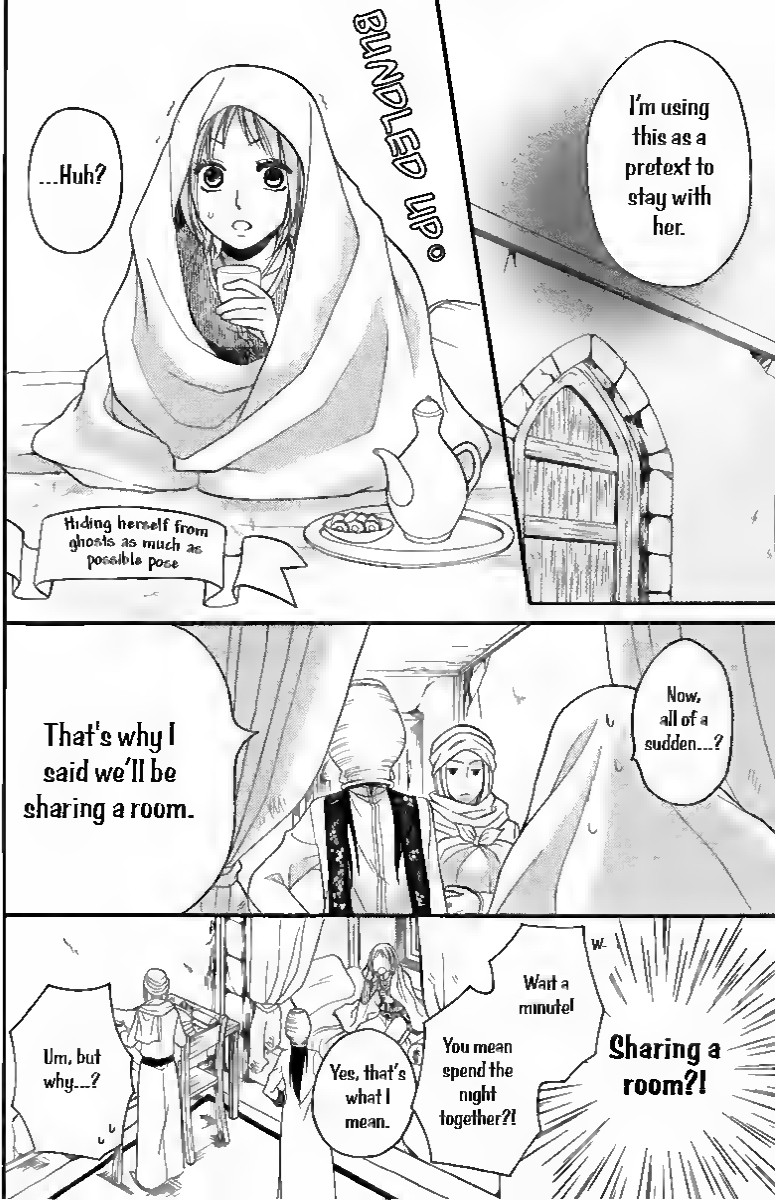
I appreciate you accommodating us, Innkeeper.
what should I do?
Haaah
Sorry! Did that hurt?!
I'm fine.
No, we are indebted to you.
It is my pleasure to allow you use of the kitchen, however...
N...no thanks needed.
In return, we shall show you our gratitude later.
A pot?!
Concerned subordinates who cannot help but look.

Guh!
You're deplorable ...
It's your fault he's like this, Mishe.
I already said I'm sorry.
Does sorry help?!
How do you intend to get it off?!
W... well...
I'VE EVEN CAUSED A SCENE.
I TRULY AM DEPLOR-ABLE...
It's no trouble.
STROKE
I won't be able to see your face for a little while,
but this makes it all the more pleasurable.
Oh my! Prince Kallum...
Don't seduce her from under a pot!
Dammit!
as usual, Sana is as cute as can be...
I guess I'll have to forgive you
Here, open your mouth.
What? She's gonna feed him?
It'll be difficult since she can't see his mouth.
I wonder how he's gonna eat?

This is my fault,
so I'll support you as much as I can.
Earnest.
...Here?
SCRAPE
SCRAPE
No, that's my chin.
I can't look.
Oh, sorry. It fell.
Let's try one more time.
That's my cheek.
Then how about here?
All things considered,
it's a shame customers don't come to this inn.
Why do you think that?
Granted, the building is old,
but the rooms and hallways are spotless
and the beds are soft and fluffy.

One way or another, people should be made to know about this inn...
Even though customers don't come, they keep the inn clean.
WHOOSH
Collect information about the ghost sightings.
Someone is scaring away the customers.
CRAK!
Understood.
...Of course you don't believe in such things as ghosts.

SHFF
I should believe what my eyes see, true?
My wives are distressed,
Yes.
so take care of the matter quickly.
You ought to be ashamed of yourself
for hiding the fact that you can remove that pot....
It's the difference in strength between men and women
I'm having quite a bit of fun with this pot.
Please don't get carried away.
Limit yourself to the pot.
I'm doing this because Mishe won't back down.



BUNDLED UP.
...Huh?
I'm using this as a pretext to stay with her.
Hiding herself from ghosts as much as possible pose
That's why I said we'll be sharing a room.
Now, all of a sudden...?
Um, but why...?
Yes, that's what I mean.
You mean spend the night together?!
Wait a minute!
Sharing a room?!

Because it's your fault that I'm wearing a pot.
You did say you'd support me, right?
I did
say that, but...!
WHISH
I have matters to attend to, so please take care of him.
How can this be?!!
Prince Kallum's bag is on the desk.
Oh look! Isn't there an attendant here?!
What? What?
Are we gonna perhaps sleep together?
On the bed?!
Whatever you're imagining, it's nothing like that.
I'M NOT IMAGINING ANYTHING IN PARTICULAR!!
...Well, he's wearing a pot, so everything is still fine.
...And

SPLORT
I do feel somewhat relieved.
Now then, help me bathe at once.
No!
I refuse!
Hmph!
Didn't you say you'd support me?
B-b-but, look!
This is thoroughly amusing!
Think this through!
PERVERT
Won't you be naked except for wearing a pot?!
As usual, she doesn't want to do it
As expected I'll have to do it myself somehow.
For now, escort me to the first floor bath.
What should I do?

ミーシェの前に現れた謎の男の正体とは…!?

I wonder if it will be like this all night.

Holding hands and walking is new...

Your hands are sweating.

SNEER

Are you nervous?

I am not!

Shut up, you pot!

But this isn't only about the ghost.

Mishe!
AUCH!!
I wish Sana and the others had invited me...
...It's too late now.
DOO～M...
!
Since you're scared, do you want to keep talking?
Phew!
He's next door.
I said I'm not
scared...
What a crude response!
chuckle chuckle
Prince Kallum?!
Don't scare me!

AUGHHHHH
TUP
TUP
BAM
Mishe!
tremble
tremble

NOOO
A PERVERT!!!
SPLOOP!
Oh yeah!
Are you all right?!
I-
Calm down! I can't see anything.
Pr-
Prince Kallum?!
Aughhhh!
Don't look!
Idiot, who are you calling a pervert?!
I CAN'T BELIEVE THERE ARE ACTUALLY GHOSTS...
It was dark, so you didn't get a good look at it...?
Uh, yeah...
Oh, but I could see a turban, so it was probably the spirit of a person...

CREAK
I see.
Now, come here
You're scared, aren't you?
I'll hug you until you fall asleep.
No, I said I'm fine.
I'm going to sleep on the floor!
GRAB!
Gah!
Idiot! Do you think I'd let my wife do that?
Do as I say and sleep next to me in the bed.
!!

Somehow it seems like it's been a long time
I wonder if he's sleeping.
I don't know since I can't see his face.
glance
I wonder what his face looks like when he's sleeping.
I wanted to see it...
since I've seen his face.
He's sleeping.
...
zzz...
what do I do?
I... need something to distract me...!
WHOOSH
THUMP
THUMP
JUMP!

Hmm,
something's not right...
His eyes look smug.
He sneers more like this..
...or not.
"I'll hug you until you fall asleep."
I'll erase it.
I get the feeling doing this isn't cute either.
I'm sure if it were Sana or one of the other concubines,
they would have been cutely submissive and
taken advantage of the situation

Prince Kallum.
NOK
SWOOP
Enter.

Pardon me.
Oh, you were awake?!
Wait, I'm still wiping off the drawing!
SPEECHLESS
!
I've compiled the ghost sighting reports.
According to my investigation,
I'll pretend I didn't see a thing.
You knew I was drawing, didn't you?
I could smell the ink and hear the sound of the pen scratching
Your artistic sense silenced him.
Yeah, I guess.
Ah ha ha!
He's not upset...

the witnesses were almost all female customers,
and, among other things, many of the sightings occurred in the baths.
The ghost is most like a peeping Tom.
...What?
It's hard to believe that someone would commit this kind of crime after learning that my wives are here.
It has to be someone who doesn't know I'm staying here.
Perhaps an outsider...
In o...other words,
the ghost is actually a pervert?!
Most likely.
That means,
the criminal was there outside the baths then too...
Aughhhhh!!

Sana!!
GASP!
Hey!
I said I'd support you, right?!
There's nothing you can do, so stay here and wait!
SLAM
...Who does she think she's speaking to?
Well,
she doesn't know that you can take off the pot.
GRAB!
This is awful, isn't it?
Oh?
Yes,

it really is....
SHEF
There's a steep price to pay for harming my wife.
BAM!
Then shall we go mete out some punishment?
Are you all right, Sana?!
Mishe!

CLAT!
Just n-now, there was a man
at the window...!
WHUMP!
Guh!
Give up, you peeping devil!!!
Since you're a mere person, I have no fear of you...

Scary !!!
SHUDDER!
Oooh...!
A woman is on top of me...!
You!
Are you the woman who was in the baths?
TREM BLE
GRAB!
L-let go of me, you pervert!!
You...!
Save me,
Prince Kallum !!!
ZASH...!
?!
FLINCH
I— GET YOUR
TUP...

LOOOOM
FILTHY HANDS OFF OF HER...

Stay back, you monster!!
No...!
Yikes!
FREEZE
Guh!
SHFF
It's me.
What are you doing being afraid of your own drawing?
That is my own drawing...
He was pretty weak.
Take him away for questioning.
Yes.

huff
huff
.....His face.
BLUSH!
Huh?
H-

how did you take off the pot?!
SQUEEZE
Pr-
Prince Kallum...?
you're hurting me-
Hush, I'm disinfecting you.
SQUEEZE
Don't let anyone touch you so easily.

blew everything away.
At last the pot has come off.
but I still can't see his face like this.
SQUEEZE
...But those words
I suppose I could
let myself be spoiled for a little while.

...In summary,
you wore a pot over your head and used my support as pretexts
to stay with me because I was scared,
even though I wasn't particularly scared.
You're persistently willful, aren't you?
Since you're saying you'll be fine alone,
I'll go back to my own room...
GRAB!
Uh,
Stop!
What?
Gulp!
F-
for now I'll say you have my gratitude.
Thank you for being concerned about me.
And...
Be cute? But how?
I'm still a little scared
and I want him to stay with me.
Well,
...You see,

wasn't it you who said you'd stay
until I fell asleep ...?
...Even saying that
PFFT!
I'm still not cute!!!
Why are you laughing?!
Well,
that is what I said.
Or more precisely,
I'll hug you until you fall asleep, right?

LICK
...Huh?
I told you before..
BLUSH
...!
He's licking me..
BLUSH
after that kind of adorable begging?
do you think I'm gonna let you sleep
I still can't do it!!
You don't have to hold back.
You are scared of ghosts, aren't you?
You're the danger!!
IN THE END,
NOTHING HAPPENED AND I FELL ASLEEP BEFORE I KNEW IT
